Battle of Aclea

From Wikipedia, the free encyclopedia

The **Battle of Aclea** occurred in 851 between the **West Saxons** and **Danish Vikings**, possibly near **Oakley, Bedfordshire** or **Water Oakley, Berkshire**.^[1] The West Saxons, led by **Æthelwulf**, King of Wessex were already responding to another wave of Viking incursions. Little is known about the battle and the most important source of information comes from the *Anglo-Saxon Chronicle* which recorded that:

"350 [Viking] ships
the Thames to Sur
slaughter of a heat

The Battle of Aclea wa
